This Was My First Home Purchase And I Had No Clue Of The Process. I Literally Would Email Or Call Edward Vivona On A Weekly (Sometimes Daily) Basis With Questions.

Edward Vivona Explained The Entire Process To Me From Start To Finish. There Was Always Clear, Concise Communication And Transparency Throughout My Entire Home Buying Experience. Let It Be Known, I Drove Ed Crazy For A Year And A Half Until He Found Me The Right Home.

My Overall Experience Was Amazing! Edward Vivona Understood What I Was Looking For And Kept My Home Search To That, Only That.

I Would Recommend Edward Vivona To Anyone Looking For A Fantastic Realtor!
